

The goal this year is to have a unified and cohesive Drama Council that encourages students at OHS and in the Drama Program to feel included while being their best self. Being a Drama Council Officer should require a lot of dedication, hard work, a positive attitude, and energy. Mr. Sackett truly sees himself only as an advisor, so you need to be a self starter and really be willing to be fully invested in order for this council to function. By choosing to apply, you are saying that you are going to put the Drama Department as a high priority throughout the entire year. Mr. Sackett expects your time and dedication. Meetings are typically held once a month during Pride, but can be more depending on circumstances. Only the Presidency (President, VP, & Secretary) need to attend the meetings. Others are still on the council, but will only need to come to meetings as invited. This year we already have a Drama Council President, so we are looking for applicants for all other positions on council. **Do NOT apply if you are not willing to take on this challenge. The application will be an online google doc. There will also be an interview (online or in person depending on circumstances) with Mr. Sackett.**

You must also oversee your officers to make sure they follow through on their duties. You will also be expected to attend several events for the school. You **MUST** have a cell phone that can send and receive texts & access to Band.

Vice President - The biggest job of the VP is to actively support the president and take on issues or things the president may need assistance with. If the president is unable to be at a meeting or perform their duties, you are the one to step in. You **MUST** have a cell phone that can send and receive texts & access to Band.

Secretary- This person is the scribe and organizer of meeting agendas & minutes. The secretary will communicate with the president and Mr. Sackett to organize what needs to be talked about at meetings. write down dates and other important information so they can remind the officers of who is doing what job, as well as calendar all drama events with Mr. Sackett. They put together sign-up sheets for events. They will also be in charge of the T-shirt orders (if we do club t-shirts) and the membership receipts and keep attendance at all meetings and events. You **MUST** have a cell phone that can send and receive texts & access to Band.

Historian - Take pictures of all the drama events & gather pictures from parents who have taken them throughout the year. The historian is also in charge of contacting the yearbook to take pictures of shows or events, as well as put together a scrapbook of the year's events and the closing video for the Senior Showcase/Closing Banquet. (not using snapchat or TikTok) You **MUST** have a cell phone that can send and receive texts & access to Band.

Ambassador (2 positions available) - The ambassadors are in charge of getting cards signed and delivered to all the surrounding school's productions. I am so excited about next year and hope to make it a great one! You may have noticed that the drama council will be smaller next year. The goal is to not make this overwhelming, but to help it work more efficiently when making decisions. I really want people who can work well together, that have ideas, are dedicated to the drama program (not just an individual show), and want to make next year a positive experience for everyone. My goal is to continue helping the program get better every year, and you are a large part of that! I am highly looking forward to working with the new council and making 2021-2022 the best experience for the drama students and program. If you have questions please email Mr. Sackett (ssackett@alpinedistrict.org)

Please keep an eye out for when the council application will be posted. New officers are announced at the Drama Banquet.

Break A Leg!
